

Middle School Summer Math Program

May 15th, 2017

Dear Parents,

GCS will be offering a two-week math review course for incoming and enrolled 6th, 7th, and 8th grade students. The program will begin on Monday, July 31st and will run through Friday, August 11th from 9 a.m. – 11 a.m. This two hour, two-week course will review math skills that were taught over the past school year. Upon completion of this course, students will be better prepared for their next level of math, as skills and concepts will be fostered and reinforced.

The cost for the two-week course is \$100 and is non-refundable. There is a 15 student cap for each grade level. If you plan to enroll your child in this course, please complete the bottom portion of this form and submit it along with payment to the GCS office as soon as possible in order to secure your child's spot.

If you have any questions or concerns, please do not hesitate to contact Mr. Bardakjy at jbardakjy@gcsbowie.org.
